As the more eagle eyed may have noticed we've been digging in King's Park...we've uncovered 4000 years of history...from a previously unknown 4000 year old burial monument, to a 12th century boundary to the Park to a Maeatae house....and Stirling oldest Road! If you want to come for a look we're having an open session on Wednesday 16th from 1-3! and oh ps...come from the Douglas Terrace entry and turn right!
